

Welcome to Lemonford Caravan Park

Lemonford is one of the prettiest caravan and camping parks in South Devon . Conveniently situated with Dartmoor right on our doorstep and with all of the areas major tourist attractions easily accessible. Explore the quaint villages, go rambling, horse riding or just picnicking and having fun beside the streams and rivers. The beaches of Teignmouth, Dawlish, Torbay and the Dartmouth and Salcombe areas are only a short drive away. Exeter, Torquay and Plymouth with excellent shopping, theatres, museums and leisure centres are within easy reach.

Small family park - big friendly atmosphere

Awarded 4 pennants by the AA and recommended by ANWB, Lemonford is a family run park. We live on site and give personal attention to the day-to-day running of the site and in particular to its cleanliness and it is this that helps to make Lemonford outstanding for caravan and camping holidays. We are open all year and have on site a children's play area, laundry, a shop selling bottled gas and basic groceries - newspapers can be ordered - together with an extensive tourist information area. We do not have a clubhouse or swimming pool .

There are two pubs/restaurants within easy reach, one can be reached via a stroll along the River Lemon which borders one side of the park, through the meadows. Newton Abbot sports centre is three miles away. A golf course is within 2 miles and fishing and horse riding are close by.
